

TUITION ASSISTANCE -- Information Sheet

Applications are processed by BeneFAQ formally named Confidential Financial Analysis Services (there is a small fee).

The purpose in using BeneFAQ is to accurately identify families in need of tuition assistance. BeneFAQ does not determine what “should” be awarded, but rather what a family can realistically “afford”.

Kingspoint receives this information from BeneFAQ and then makes a decision with a spirit of faith that is grounded in fact. The desire is that the children of our families are able to receive a faith-based education that will impact their lives now and, in the years, to come.

For Kingspoint: Applicants must complete and return the attached “Parent Request for Tuition Assistance” form to the school office.

- NO financial information should be given to (or is viewed by) the school.
- Family names are kept confidential and are not shared with the School Board or Tuition Assistance Committee.

For BeneFAQ:

The Tuition Assistance Application can be found online at www.beneFAQ.com.

- Complete instructions can be found on the attached worksheets. The worksheets are for your information only - to assist you in the online application process (or you may print the application on the CFS website and fax the completed forms to them).
- The registration number for Kingspoint Christian School is: **76498**
- Only applications postmarked by the deadline date will be accepted for processing.

After the school receives complete information from BeneFAQ, there may be a confidential interview process with the Administrator and the applicant(s) if the Tuition Assistance Committee needs additional information.

**** Applicants will be notified by letter with the final results. ****
